

CARROLLTON UTILITIES
Natural Gas New Service Form

Authorization Agreement

I hereby authorize CARROLLTON UTILITIES to enter upon my property for the purpose of installing a natural gas service. I agree to locate, by painting or staking any "Underground Assets", including but not limited to all utilities, electric, water, sewer, cable, telephone, underground fences, downspout drains, etc., and all other underground fixtures, or items of value that may be encountered by CARROLLTON UTILITIES while installing the natural gas line.

Further, I will not hold CARROLLTON UTILITIES responsible for any damage to Underground Assets that are inaccurately located or not located.

I understand that CARROLLTON UTILITIES will backfill any holes or trenches needed to install the gas service but WILL NOT perform final grading or landscaping of the area disturbed. I understand it is my responsibility to perform final grading, seeding, removal of rocks and tree roots as may be needed. It will also be my responsibility to replace any flowers, shrubs, ornamental trees, and other landscaping items disturbed or lost as a result of the service line installation.

I authorize CARROLLTON UTILITIES, or its contractors and assigns, to enter upon my property as needed for the purposes of meter reading, leak surveys, and all other maintenance. I agree to provide for safe access to the meter and to keep an area of 3 feet around the meter clear of vegetation and other obstructions. If the meter is or will eventually be placed inside a fenced area, I agree to place an unlocked gate near the meter location to provide Carrollton Utilities unrestricted access to the meter. I agree to not connect any wires, cables, chairs, ropes or other items to the meter, regulator, riser or meter piping. I understand and agree that compliance with this agreement is required to maintain an active service with CARROLLTON UTILITIES.
